

### **2024 T1 Personal Tax Return Fees**

Our current minimum rate per “Basic T1 Personal Tax Return” is \$225. We define “Basic T1 Personal Tax Return” as a return comprised of 5 or less T-slips. For more complex returns with more than 5 T-slips and that require additional schedules integral to the return completion, the amount of time we spend on the return will be factored into the determination of the final fee for the return.
